

Pick-up and Jump up

	Teach hand touch to position for pick up
	C/T for hand over/on the pup's back
	Hand on ribs
	Slide fingers under belly
	Slightly lift front half of pup
	Lift whole pup slightly
	Put treats on a raised surface the pup can't reach and lift pup up to get them (at meal times)
Jump Up	
	Sit on the floor with legs out straight and have pup jump on and off my lap
	Add hand/arm wrap that will be used to catch the dog when he jumps up
	Teach pup to tuck his feet (Lay in sphinx position) to protect them if another dog is jumping at him) Or teach front paws on my shoulder and butt in my hand with tail tucked
	Gradually add pillows and other things under my butt to raise my lap
	Work up to a squat/catch/stand up
